

**Master Degree Program in
Global Agriculture Technology and
Genomic Science
(Global ATGS)
Application Guide**

GLOBAL
ATGS

國立臺灣大學
National Taiwan University

Introduction

* Global ATGS is an interdisciplinary master's degree program provided by National Taiwan University (NTU). In this program, students can gain a deep understanding of

1. Digital Agriculture Science and Technology

2. Genomic Science and Breeding Technology

Introduction

- * We emphasize hands-on training; therefore, this program also includes **domestic and international internship opportunities** in multiple fields. We have international connections with multiple international research organizations and biotech companies, at which students are able to do an internship and get ready for their career development.

Global ATGS aims to cultivate global bio-agricultural talents that can contribute to the pressing needs of agriculture suitability with advanced knowledge and practical skills of contemporary agriculture. Enrollment time is the **Fall of 2021**, with plans to accept **15 International and 10 Overseas Chinese Students**.

Tuition

* Tuition fee: USD 5,000 per semester

* Living expenses (estimated): USD 512-682 per semester

Scholarship

* For International Students

- Financial Assistance Grant for NTU International Degree Students (For **Global ATGS** students only)
- NTU-SEARCA Joint Scholarship for Global Agriculture Technology and Genomic Science (**Closed**)
- Financial Assistance Grant for NTU International Degree Students (For **Latin America and Caribbean Project** only)
- Taiwan Scholarships for International Degree Students

* For Overseas Chinese Students

- 國立臺灣大學研究所優秀僑生獎學金
- 國立臺灣大學勵學獎學金
- 僑務委員會受理捐贈僑生獎助學金

Scholarship

For International Students

* **Financial Assistance Grant for NTU International Degree Students (For Global ATGS students only)**

* Amount :

We provide merit-based scholarships for our students. The amount awarded is **5,000 USD or 10,000 USD per academic year** (equivalent to approximately 50% to 100% of the recipient's tuition and fees) and will be released after enrollment.

Candidates with an outstanding academic record are eligible and encouraged to apply.

* The Master Program in Global Agriculture Technology and Genomic Science reserves the right to change these terms, conditions, and the actual total amount of scholarship at any time without prior notice.

* **Application for NTU Scholarship is with Program Application**, please make sure to click "YES" while filling out the online application form to apply for NTU Scholarship.

Scholarship

For International Students

* **NTU-SEARCA Joint Scholarship for Global Agriculture Technology and Genomic Science (For Global ATGS students only)**

* Coverage Entitlements :

1. Tuition and other school fees
2. Travel allowance to cover international airfare
3. Book and supplies allowance
4. Health insurance
5. Living allowance for food, lodging and incidental expenses

* Eligibility Criteria: :

1. Must be nationals of SEAMEO member countries
2. Must not be more than 35 years of age at the time of application
3. Planned research must be aligned with SEARCA's overarching theme of Accelerating Transformation Through Agricultural Innovation (ATTAIN).

* **The endorsed candidates are required to apply for NTU Scholarship and admission to the Global ATGS, so don't forget to click "Yes" while filling out the online application form to apply for NTU Scholarship.**

* **Application Period : From now on - 2021.02.05 (Closed)**

* **Application for NTU-SEARCA Joint Scholarship : <https://www.searca.org/ntu-ms-scholarship>**

Scholarship

For International Students

- * **Financial Assistance Grant for NTU International Degree Students (For Latin America and Caribbean Project only)**
- * Entitlements :
The entitlements awarded include **tuition waiver** (up to **TWD 130,000 per academic year**) and **monthly stipend** of **TWD 6,000**.
